Directions to the Administrator: The theme of this year's poster competition is "**Historic French influence in the Midwest.**" From fur trading and exploration to architecture, place names, and cultural traditions, French influence played a vital role in shaping the American Midwest. French explorers like Marquette and La Salle were among the first Europeans to chart this region, and many cities bear the mark of that legacy.

The Poster Registration Form on the following page must be completed and accompany the poster to help the judges in the interpretation of your work. Any text on the poster itself must be in French. If you choose to use captions and illustrations on your poster, the French must be accurate and suitable to your level.

Posters **must be printed with a size of 11"x14"**. If the judges suspect plagiarism in the French language, the poster will be disqualified. **Each school may submit one Non-Original Art poster per level per school.**
